

Welcome to Peachy Parents

We feel passionately that everyone deserves support and acceptance. To achieve this, we kindly ask that you embrace the guidelines below.

- Contribute to a sense of safety and supportiveness within the group
- Respect each other's right to confidentiality
- Accept each other's journey and experience without judgment
- Respect each other's right to individuality in their parenting choices
- Listen carefully and contribute to a sense of belonging for everyone
- Share personal experiences if you are comfortable to do so
- Be careful not to focus on giving advice as a form of support
- Encourage participants to be proactive with their own recovery
- Support each participant regarding their own choices towards recovery

Our Values

COMPASSION | TRUTH | RESPECT | SUPPORT | INTEGRITY | HOPE
